

My Hijab Craft Activity

Instructions: Cut around the outside of the hijab template with the number 1. Then fold the hijab in half using the lines to guide you to cut on the dotted lines for step 2. Move to next page to complete step 3.

My Hijab Craft Activity

Instructions: Cut on the dotted lines to make the face cut out. Place on top of a white or colored sheet of construction paper. Then tape or glue to the back side of your hijab cut-out.
